To our most beloved teachers and advisors who have been so patient with us for the past three years and have helped us in every way they possibly could to solve our many problems.

We, the class of '56, dedicate this edition of our yearbook to Mrs. Raymond Space and Mr. Edward Sebastianelli.

Alma Mater

Oh, the years that are gone have been happy,
And the years yet to come but a dream,
Yet the friendships we formed here together
Will be sweet as we sail down life's stream.
May the lessons we've learned from our childhood
Guide us all through the day and the night
And in dream days to come, we'll be proud,
every one,
As we sing to our heart's delight:
Here is to our Alma Mater!
Purple and white our hearts enfold!
For the years we spent together
In our memory'll ne'er grow old.
Though our paths are all of sunshine,
Though the storms assail our ways,
We'll be loyal to Meshoppen Schools,
Through all our days!

Administration

MR. CECIL D. LATHROP, Sup. Principal

Going through high school is both an adventure and an achievement. It requires the mastery of those things which the vast majority of people call the fundamentals.

But there are many other things which you must learn that are equally fundamental. These things include: Playing fairly and being a good sport. Knowing how and where to find facts you need to know when you need to know them. Being a good citizen of the place where you happen to be. Being self-reliant; as someone has said, "Walk your own path--do not be a carbon copy of anyone."

I trust that the Class of '56 will prove that they have mastered all of these fundamentals.

As members of the graduating class of '56 you go into the world to take your places as citizens of a proud nation.

You have received the best instruction and training available. Upon your shoulders will fall the duties of citizenship. What you accomplish for yourselves and your country will depend upon each of you.

It is not enough that you, as citizens of a freedom-loving country, should protect just your own personal gains and liberties; you must be strong and united to promote peace and prosperity throughout the world. Your country's true strength lies in the character of her citizens. You, the citizens of tomorrow, must not betray the trust that has been invested in you.

Senior History

On September 3, 1952, our class entered the doors of Meshoppen High School to begin our four years of high school. We assembled in room 25 with Mr. VanLieu as our home room teacher. As roll was taken we found thirty-five members in the class, twenty coming from the Center, thirteen from Meshoppen, one from Jessup, and one from Tunkhannock. The following officers were elected: President, Ben Cole; Vice President, Harold Craige; Secretary, John Harding; Historian, Raymond Manning; Treasurer, Bill Carter. After Mr. VanLieu left us in October to teach in New Jersey, Mr. Heinrich and Mr. Marhafka were our home room teachers. During our freshman year two members of our class left us: Joan Ladner, who moved to Tunkhannock, and Carl Hoffman.

In September 1953, we began our sophomore year. Looking around we found one member of our class missing, Ellen Kocher, who had moved to Lawton, but we were happy to welcome Phyllis Hampsey in her place. We assembled in room 22 and were very happy to have Mrs. Space as our class advisor. The following officers were elected: President, Sherry Button; Vice President, John Harding; Treasurer, Regina Banko; Secretary, Raymond Manning; Historian, Harold Craige; Representatives, Buddy Lutz and Evelyn Smith. This year we picked our class motto, "Always Travel In High; Never Shift Gears"; our flower, Lily of the Valley; and our colors, Green and White. Before our sophomore year came to a close five of our members left: Sherry Button, who got married, Duane Root, Clarence Marbaker, Shirley Teetsel, and Margaret Faux. During the year we had two class parties.

We entered our junior year in room 22 with Mrs. Space again our advisor. As we looked over our classmates, we found that we had lost one of our members, Timothy Sheldon, who had gone to Staunton Military Institute; but we were very happy to welcome four new members to our class; Runyon Purdy from Wyalusing, Esther Carter, Daniel Newhart, and Harlan Sherwood from West Auburn, this giving us a total of thirty-two. The following officers were elected: President, John Harding; Vice President, Raymond Manning; Treasurer, Phyllis Hampsey; Secretary, Regina Banko; Historian, Arlene Caines; Representatives, Evelyn Smith and Bill Carter. At last our long awaited day came when we ordered our class rings. We were all very pleased

when they arrived in time for Christmas. During our junior year four members of our class left us: Alberta Truesdale, who moved to Vestal; Janet Peet and Charlotte Rogers, who got married; and Daniel Newhart. We had a Halloween Party which was the biggest success ever. In April we presented our play, "The Big Blow-Up," showing our outstanding dramatic talent. Our other money making projects for the year were a raffle and magazine campaign which were both very profitable. On May 7, the annual Junior-Senior Banquet was held at the South Auburn Grange Hall which proved to be a memorable evening for all of us. On "Some Enchanted Evening" in May we had our annual Junior-Senior Prom in the Meshoppen Gym. Through these activities and a few class parties we really had a wonderful year.

It was on August 29, 1955, that twenty-nine thoughtful but happy seniors entered Meshoppen High for the last of their twelve years. Among those were, Shirley Teetsel, who came back from Tunkhannock High School and John Barnes. We were certainly very happy to find Mrs. Space, once again, as our class advisor. The following officers were elected: President, Raymond Manning; Honorary President, John Barnes; Vice President, Evelyn Pointek; Treasurer, Phyllis Hampsey; Secretary, Regina Banko; Historian, Ruth Ann Love; Representatives, Bill Carter and Evelyn Smith. On October 20 and 21 we presented our play, "A Feudin' Over Yonder," which filled the house for the three performances. The closing highlights of our year were: Class Night, May 11; the Prom, May 18; Baccalaureate Service in St. Joachims Roman Catholic Church, May 20; and our long awaited, COMMENCEMENT, May 25. Then came OUR TRIP TO WASHINGTON, AND THUS ON INTO OUR FUTURE.

As you climb the hills of the coming years,
May you travel in high and never shift gears,
With plenty of spark and never a knock,
And a joyfilling station in every block.

Junior History

September 1953, we began our freshman year in room 25, with twenty-seven members and Mr. Bau as our advisor. We elected the following officers: President, Don Newhart; Vice President, Lloyd Ace; Secretary, Chris Bell; Treasurer, Bob Lott; Rep., Carol Bray and Johnny Benninger; Historian, Marlene White. We ended the year with twenty-four, losing Richard Thomas, Paul Faux, and Earlene Whipple. It was an uneventful year. We had one class party.

We started our sophomore year in the Ag. room with Miss Kelly as our advisor. They soon put us in room 26 with Mr. Miller. That year our officers were: President, Don Newhart; Vice President, Howard Warner; Secretary, Carolyn Adamy; Treasurer, Lauretta Shafer; Historian, Carol Bray; Rep., Marlene White and Johnny Benninger. During the year we lost Carolyn Adamy and Guy Manning and we welcomed Olivia Panunti and Donna Stone. We had several parties that year.

Our junior year we were again in room 26 but with Mrs. Carter as our advisor. We didn't see Donna Stone and Frank Williams; and Marlin Hopfer soon left, but we were glad that Guy Manning was back. The officers for that year were: President, Guy Stevens; Vice President, Chris Bell; Secretary, Harold Carter, Treasurer, Lauretta Shafer; Historian, Carol Bray; Rep., Marlene White and Ronnie Hampsey. This was a very eventful year. We had a very successful junior play, and of course, this year we sponsored the Junior-Senior Banquet and we were included in the annual Prom. Also we had many successful money making projects.

Sophomore Class History

At first we were pretty much lost, but due to the patience of our advisor, Mrs. Light, we soon settled down. During the year we had a very enjoyable class party. At the end of the first year we lost Andy Pointek, Shirley Cadak, and Nellie Wandall. In our sophomore year we started regular class meetings. We elected the following officers: President, John Koromlan; Vice President, John Bell; Secretary, Iva Holley; Treasurer, Tom Carter; Historian, Clare Jean Barnes; Rep., Eleanor McGavin and John Moyer. Our sophomore year has been a very happy year. We will hate to leave our teacher, Mrs. Light. All the little instances we will always remember as we go through the years.

Freshman Class History

In our first year of high school we settled in the Ag. room with Miss Kelly. We had thirty pupils, gaining Joseph Kostantewicz and losing Ronald Whitesell and Jane Pointek. Our class officers were elected as follows: President, Jim Bray; Vice President, Grace Stevens; Secretary, Betty Bowman; Treasurer, Jerry Burke; Historian, Ralph Tewksbury; Representatives, Leslie Space and Mary Ann Caines; Reporter, Kenneth Price. We were all very sad when Miss Kelly passed away. However we sincerely appreciated Mrs. Gorrell's taking her place.
